Bethalto Public Library District

Welcome to the **7th Annual IHLS Library Crawl**. As a bibliophile, we know you will enjoy the interesting and beautiful buildings that house our library collections throughout central and southern Illinois.

When you arrive at a new library be sure to go to their main circulation desk to ask for a stamp in this passport. Visit five or more libraries, other than your home library, to complete the Library Crawl. Then return this passport back to your home library and share the news about your adventures.

Each library has a page in the online 2025 Library Crawl Guidebook (see last page). Be sure to check this out for a list of local eateries and places of interest the Library staff recommend.

Remember, you can use your library card along the way to check out items at the libraries you visit. Then simply return them at your home library. Our statewide courier service will take care of the rest. This awesome service brings items back and forth making our collections available to all patrons.

Share the joy – take pictures along the way and post them with #IHLSLibraryCrawl2025 on social media.

**Happy Crawling!**
