Colorful Crafts Summer Program
2 - 4 years

SPONGE PAINTING

**Needed: Large pair of scissors.

Cover your table surface with old newspaper or a disposable tablecloth to protect workspace. Lay out the pieces of construction paper. Empty the paint onto the paper plate. Adults please help child cut the sponge into different shapes. When you are ready to paint, place one of your shapes into the paint, and then stamp it onto your piece of construction paper. Make beautiful art with shapes and give it to someone special 😊.
