

# Librarian Report

## December 9, 2025

### Board of Trustees:

- Rebecca Hunt donated bingo gifts for the American Legion Senior Club. Thank you, Rebecca!
- Barry Krizan was honored at the November 17<sup>th</sup> City Council meeting. Thank you to everyone who was able to attend Barry's special day.

### Building Maintenance:

- The lobby men's restroom wall has been fixed and we have reopened that restroom. It had been previously locked for an extended period of time due to repeated property damage.
- The toilet seats were replaced in the two bathrooms within the library by the elevator.
- I am in the process of arranging the annual elevator inspection that needs to be completed by March 2026.
- Crownworx Roofing inspected our roof to determine if silicone sealant might help us to avoid future leaks. At this time they recommended sealing off areas that are showing wear. They suggested this as a first step/less expensive option before/if we consider completely silicone sealing the entire roof. Their quote for patch sealing is included in the board packet. Is this an option the board would like to consider?
